Our Skin Care

You deserve nothing less than the purest gift from nature. Nurture your skin with vital nutrients and antioxidants from Beautifully Pure! Indulge yourself in luxurious textures. It will awaken your complexion and your skin will repay you by looking and feeling its best. Experience our unique formula, which is enriched with finest botanicals that will gently clean, purify, tone, hydrate, soften your skin and enhance your beauty. Stay young with our skin care!

Cleansers – Our non-drying cleansers will clean, hydrate, and soften your skin.

Toners – Our beautiful toners will balance your skin's natural PH, minimize pores, and remove traces of makeup so that your pores are not clogged. You'll also appreciate how hydrated your skin feels!

Creams, moisturizers, and serums – Choose one or several of our high-quality products from this category to suit your skin type. Each product will replenish and hydrate your skin.

Special Care for Acne – Watch your face reveal its true beauty...fast! Our customers are raving about our acne line. Get your confidence back in as soon as 1-2 weeks! Visit our Testimonials section at www.beautifullypure.com.

Our Skin Care

Baby Care – Are you afraid you may be using personal care products on your baby that are totally unsafe? Then look no further!

We only sell products with beautiful ingredients you can completely trust, such as talc-free organic body powder, non-mineral body oil, gentle bubble bath and shampoo with no sulfate ingredients.

Sun Care – We have re-defined what a sunscreen should be. It is not white in color and feels just like high-quality moisturizer. Yet it has SPF 25+ and protects you from both UVA & UVB rays. It contains plenty of natural antioxidants to protect your skin from aging.

Tripled-Refined 100% Pure Emu oil – Use this beautiful oil as a night time emollient and see its penetrating power...it will never clog your pores and your skin will feel soft all over.

This is an extremely short list of what it does for you:

- ☀️ Reduces wrinkles and promotes collagen re-growth
- ☀️ Dramatically improves dermatitis, dry skin, psoriasis, eczema, acne, rosacea, keloids, & age spots
- ☀️ Soothes & calms redness
- ☀️ Brightens complexion

Other uses include: stretch marks, burns, sunburns, blisters, warts, rashes, minor cuts, dry cuticles, bug bites, chapped lips, callous, stiff muscles, swelling, carpal tunnel, athlete's foot and diaper rash...the list goes on and on...there's just no end to its healing properties!

Our Hair Care

☀️ Our clean and gentle Hair Care system will lengthen and condition your hair to look more beautiful with each use. You'll actually experience less loss of hair.

☀️ None of our products contain Sodium Lauryl Sulfate*, which is known to cause eye irritations, skin rashes, hair loss, scalp scurf (similar to dandruff), and allergic reactions.

We highly recommend that you use our shampoos and conditioners together to experience the full magical benefits of all the ingredients designed to work together!

Our Shampoos – We use very gentle botanical based ingredients for all our shampoos. Depending upon type of hair, we use various botanical emulsifiers and pure essential oils, natural vitamins,

and aloe vera gel which heals and moisturizes. Our shampoos prevent breakage and splitting which is common with most commercial shampoos. They have light, delicate scent.

Our Conditioners – Our conditioners feel light yet luxurious. The pure botanical essential oils will condition your hair and prevent splitting and breaking. The specific combination of ingredients in each product will normalize your hair.

Pro-Vitamin Styling Gel – This is a great vitamin-enriched styling gel. It feels very light, but it will give you optimal hold and control without chemical. It has all the essential nutrients that your hair needs for ultimate hold, volume, and shine. You'll absolutely love it!

* SLS is a cheap detergent commonly used in cosmetic cleansers, hair shampoos, bath and shower gels, bubble baths, and many other personal products. This is one of the most dangerous ingredients used in skin and hair-care products. In the cleaning industry, SLS is used in garage floor cleaners, engine degreasers, car-wash soaps, etc. It is very corrosive. We do not recommend that you use it on your skin or hair.
