## YOUR NEWSY NOTES, LLC CELEBRATES FIVE YEARS IN BUSINESS

Ashburn, VA – February 15, 2012 – *Your Newsy Notes, LLC* is proud to celebrate its 5th year in business, especially given the current economy. Beverly Schrab, President of Your Newsy Notes, LLC said, “Thank you to all our clients that helped us grow our business; we couldn’t do it without you!”

*Your Newsy Notes, LLC* is an award-winning, BBB accredited and Small, Women and Minority (SWaM) certified virtual desktop publishing company that specializes in the design, format and layout of your documents. “Clients give us their content and we do the rest”, said Beverly Schrab. “We are also an Expert Solution Provider and Certified Trainer with Constant Contact, and consider ourselves an extension of the marketing strategy for small businesses, non-profits, associations, and organizations.”

“When we started our business five years ago, we only offered newsletters. Today, in order to better meet our client’s needs, we offer: newsletters, email marketing through Constant Contact, event programs, brochures, PDF conversion, and online stores. Much of our business comes from companies and organizations that need desktop publishing services, but want to avoid the associated expenses (benefits, taxes, etc.) of hiring a full-time team member. We **SAVE** our clients **TIME** and **MONEY** by outsourcing these services to us.” *As Terry Corle, Loudoun County Fair Superintendent said, “Your Newsy Notes, LLC is part of our A-team!”*

Beverly Schrab is a proud member of the Better Business Bureau (BBB) Accredited Business; Graphic Artists Guild (GAG); Loudoun County Chamber of Commerce; National Association of Photoshop Professionals (NAPP); and Washington, D.C. InDesign User Group. Your Newsy Notes, LLC is a State of Virginia certified Small, Woman, and Minority Owned (SWaM) business located in Ashburn, Virginia.
