

## **Your Newsy Notes, LLC Celebrates One Year in Business with a New Logo and Website**

Ashburn, VA – February 15, 2008 – Your Newsy Notes, LLC designs and formats PDF newsletters for small businesses and individuals. According to Beverly Schrab, President of Your Newsy Notes, LLC, “Many small businesses do not have the time or staff to produce their own newsletter; that is why they outsource their newsletters to Your Newsy Notes, LLC. We partner with small businesses to connect them to the larger business community by illuminating the company’s goals, achievements, services and products.”

We champion for individuals who want to capture news and memories of special occasions; such as family reunions, birthdays, graduation, vacations, etc. “Why just send photos, when you can highlight your story in the form of a newsletter and wow your family and friends,” said Schrab.

Schrab is a member of the Loudon County Chamber of Commerce and the National Association of Women Business Owners.

Your Newsy Notes, LLC is a State of Virginia certified Small, Woman, and Minority Owned (SWaM) business located in Ashburn, Virginia.
