

# Your Newsy Notes, LLC

Volume 1, Issue 1, March 2007

## Beverly Schrab is proud to present...

**Beverly Schrab, M.S.W., M.B.A.**  
President

It is with much gratitude, passion and excitement that I present the opening of [Your Newsy Notes, LLC](http://www.yournewsynotes.com).

We've been working fast and furious to prepare for take-off. We've recently become proud members of the [Loudoun County Chamber of Commerce](http://www.loudounchamber.com); have participated in several business seminars through the [Loudoun County Small Business Development Center](http://www.loudounchamber.com); and, launched our fabulous [website](http://www.yournewsynotes.com), compliments of Dr. Kevin J. Schrab.

3...2...1...Lift-Off!!!

### Our services

[Your Newsy Notes, LLC](http://www.yournewsynotes.com) provides services in two general categories: business newsletters and personal newsletters.

Business newsletters - Communicate your goals, achievements, services, and products.

Promote and reinforce relationships

Enhance communication (business-to-business and/or business-to-customer)

Drive new business development and assist with retention

Personal newsletters - Why send photos when you can send your story? Use a newsletter to capture and share your news and memories of any and all occasions:

Family reunions

Birthdays

Anniversaries

Vacations

Whatever event is special to you

Think you want your own newsletter? Let us help. Visit our [website](http://www.yournewsynotes.com) to get started today!

### Catch the blog!

Have you ever wanted to chat with the president? No, not that President, *this president*. Now you can! Just visit my blog at:

<http://yournewsynotes.blogspot.com/>

Please feel free to post your comments on my blog and get the discussion going!

A blog is a website or part of a website. At one time, a blog would have been called a diary or journal and typically has a bunch of links, talk, and comments.

Truth is, a blog is a website, but the terminology is changing to differentiate between non- or semi-interactive websites.

If you are interested in starting your own blog, visit [Blogger.com](http://www.blogger.com).
