Dear Ms. Schrab,

I just received your creation of the first edition of our *Golden Star Concierge, LLC* newsletter and wanted to let you know how delighted we are with your impressive work.

The newsletter is the perfect presentation to introduce our services to prospective clients and professional associates. It also is an engaging way to stay in contact with current clients. The bright and attractive layout highlights the message we want to share.

It has been a pleasure working with you. You made the process so easy and guided us throughout the development of the newsletter. We look forward to working with you in the future.

Thank you for your terrific work!

Cordially,
