Dear Beverly,

I am writing to let you know how much we enjoyed working with you this past year. Your expertise in the desktop publishing arena and guidance in the commercial printing process was invaluable. This year's Fair Brochure and Fair Guide are sure to be award winners at the Virginia Association of Fairs Conference, just like last year.

Your design and layout of the expanded Fair Brochure greatly aided the marketing for the Fair. The longer Fair Guide was packed with useful information that enhanced the "fair experience" for our Fair goers. All I needed to do was give you my vision and you delivered flawlessly. In addition, your attention to detail came in handy when double-checking my print invoice; you caught my over-payment and helped me get a refund.

Finally, you also produced a professional modification to our fair logo in commemoration of our 75 year Diamond Jubilee.

What more can I say, you are an integral part of the Fair team and we look forward to another exciting year for 2011!

Sincerely,
