Dear Beverly,

Just wanted to write and say how much we enjoyed working with you these past few months. Your energy, your enthusiasm, your attention to detail and the follow up was something unlike we've never seen before.

The 2008 Loudoun County Fair was a huge success this year and in part due to the work you did for us. I know we weren't always where we should have been at times but you worked with us, even pushed a few times, which was what we needed and everything just came together. Nothing is more rewarding than a plan that comes together on time, on budget and executed with professional precision.

Again, thanks for helping to make this year's fair a huge success and hopefully you'll work with us again on the 2009 fair.
